

### Chemtrol Scrub-Mate

#### Floor Cleaner & All Purpose Manual Cleaner

**Scrub-Mate** is a liquid alkaline cleaner with multiple uses. It is primarily used in automatic floor cleaning machines in industrial plants on sealed concrete and painted surfaces.

**Scrub-Mate** contains biodegradable surfactants with powerful soil penetrating properties and a mild pH. It is effective in hard water and rinses freely.

**Scrub-Mate** is safe to use on all metal surfaces. It will not attack neoprene, plastic, nylon, or rubber. Scrub-Mate is safe on most painted surfaces.

#### Uses:

##### Automatic Floor Scrubbers

Use at 1 to 10% by volume depending on soils and frequency of application.

##### Steam Cleaning

Use at 1 to 5% by volume.

##### Manual Cleaning of Equipment

Brush on at 5 to 10% by volume; rinse with steam or clean water.

##### General Cleaning with mop & bucket

Use at 1 to 3% by volume.
